This academic year, the Hong Kong Association of Careers Masters and Guidance Masters (HKACMGM) will organize a course on Practical Skills of Counselling and Guidance in Secondary Schools in collaboration with Hong Kong Christian Service.

This course includes a total of 11 sessions. It is specially designed for secondary school teachers (*with two to three or more years of teaching experience*) who are interested in student counselling and guidance. They may equip themselves with practical skills in order to provide their students with more personal guidance and counselling.

Enclosed please find the schedule, the general course introduction and the application form. It is much appreciated if the information will be passed onto the interested teachers. For enquiries, please contact the Hong Kong Christian Service at 2722 5117.

Thank you for your kind attention.

Yours truly,

Mr. CHAN Wai-man
