Dear teachers,

Courses on Practical Skills of Counselling and Guidance in Secondary Schools

This academic year, the Hong Kong Association of Careers Masters and Guidance Masters (HKACMGM) will continue to organize two courses on Practical Skills of Counselling and Guidance in Secondary Schools in collaboration with Hong Kong Christian Service.

The 20-hour course includes a total of 10 sessions. It is specially designed for secondary school teachers who are interested in student counselling and guidance. With some teaching experience gained, these teachers may want to enrich themselves in this respect in order to provide their students with more personal guidance and counselling. The other course covers a total of 4 sessions and is specially designed for new secondary school teachers so that they may equip themselves with some basic knowledge and skills in counselling and guidance.

Enclosed please find the schedule, the general course introduction and the application form of each course. It is much appreciated if the information will be passed onto the interested teachers. For enquiries, please contact the Hong Kong Christian Service at 2722 5117.

Thank you for your kind attention.

Yours truly,

Mr. TSUI Chi-keong
Course co-ordinator
