### The Education University of Hong Kong

- Extended Part in Mathematics and Applied Learning Chinese will not be counted as electives.
- "Attained with Distinction" in an Applied Learning subject (Category B) will be regarded as having met the requirement of an elective subject.
- Other Language subjects (Category C) will be accepted as unspecified elective subjects. The minimum requirement is Grade E.
- For programmes with preferred HKDSE subjects indicated in the entrance requirements, the preferred subjects normally carry more weight.
